Testimony on Carbon Capture Utilization & Sequestration

CEQ has produced a draft report on CCUS, and OAP is primarily responsible for reviewing. But there are a couple things mentioned in the report that AQPD and SPPD need to take a quick look at, which are highlighted in the document.

## Ex. 5 Deliberative Process (DP)

We need to turn this by COB tomorrow. Please let me know if that is an issue.

Patrick and Michelle (and OAQPS as an FYI),

See the attached draft report from CEQ on CCUS. Your folks may have already seen this previously, but OCIR is sending around for comments/edits by Friday afternoon. If you think you will have comments, would it be possible to have them back early Friday morning so that we can send them through the IO?

Let me know if you have any questions,  
Heather

**Subject:** Firm Deadline: LRM: [JMB-117-23] -- Council on Environmental Quality Oversight Testimony on Carbon Capture Utilization & Sequestration

**DEADLINE: 4:00 PM Friday, Jun 11 2021 - FIRM**

Attached is a draft report from the Council on Environmental Quality on Carbon Capture, Utilization, and Sequestration. This report was required by Section 969 of the Consolidated Appropriations Act of 2021 and is scheduled to be delivered to the Senate Environment and Public Works Committee and the House Energy and Commerce Committee, Natural Resources Committee, and Transportation and Infrastructure Committee by June 25, 2021. This report was prepared in consultation with staff in the Departments of Agriculture, Energy, Interior, and Transportation, as well as the Environmental Protection Agency and Federal Permitting Improvement Steering Council.

By the deadline above, please provide your comments and edits. Note that this is a **FIRM** deadline. Extensions will not be granted.

Thank you. Thea
